# ANNOUNCING EXCITING ADDITIONS TO THE RIVERVIEW PARK AND ZOO.

## SPLASHPAD and more....

A new children's splash pad along with a public washrooms/changerooms building will be completed this spring. An attractive gateway to the zoo area has been added. Buckets of water and sprays everywhere – **Come on kids** and get wet.

## OTTER EXHIBIT

Plans for the river otter exhibit include a shallow and a deep pond, a slide and a waterfall for the otters to play in, and underwater viewing for the public.

**It is going to be an incredible exhibit!**
