

RIVERVIEW PARK AND ZOO

Feb 2007 - Update on the \$500,000+ Donation to Our Park and Zoo.

Peterborough's Riverview Park and Zoo is getting even better, thanks to more than a half-million-dollars donation by local resident Ray James in March of 2005.

New Splash Pad at Riverview Park and Zoo

For decades the park and zoo, owned and operated by the Peterborough Utilities Commission, has been a place where family memories are made.

Whether it's a ride on the miniature train, viewing the animals, playing on the splash pad or a leisurely stroll along the river, practically everyone who lives in Peterborough has a fond memory of a trip to the zoo.

Mr. James, the retired president of the former Peterborough division of Johnson and Johnson, made his donation to ensure the park and zoo remains a special place for the children to visit, have fun and learn about animals. He said he wants to give something back to the city that has been so good to him.

His kind and generous donation inspired the addition of a new Children's Splashpad, Changerooms, Otter Exhibit and landscape improvements that are currently being completed.
